**Re: COPN Letter of Intent**

Dear Dr. Oliver:

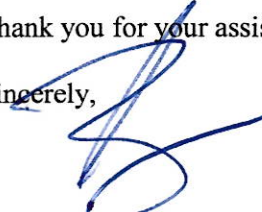

In accordance with § 12 VAC 5-220-180 of the *Virginia Medical Care Facilities Certificate of Public Need Rules and Regulations*, this is to advise that the Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc. intends to file a Certificate of Public Need application to establish an outpatient surgical hospital with four (4) general purpose operating rooms to be located at 13285 Minnieville Road in Woodbridge, Virginia 22192 (Planning District 8).

It is requested that you send the appropriate application materials for consideration in the September 10, 2018 Batch "B" Review Cycle to:

Kent Stevens, President  
Berkeley Medical Group, Inc.  
107 Elderberry Drive  
Winchester, Virginia 22603

Thank you for your assistance.

Sincerely,

Joseph T. Butz  
Chief Operating Officer and  
Vice President of Delivery System Operations

cc: Erik Bodin, DCOPN  
Dean Montgomery, HSA NV

**Re: COPN Letter of Intent**

Dear Dr. Oliver:

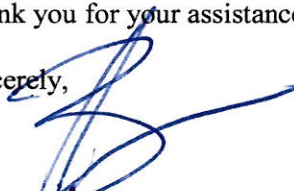

In accordance with § 12 VAC 5-220-180 of the *Virginia Medical Care Facilities Certificate of Public Need Rules and Regulations*, this is to advise that the Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc. intends to file a Certificate of Public Need application to: (1) establish a specialized center for CT and MRI imaging services by relocating and replacing existing CT and MRI equipment currently located in Woodbridge, Virginia; (2) add one (1) MRI; (3) establish non-cardiac nuclear medicine services; and establish PET/CT services with one (1) PET/CT scanner. All proposed services and equipment will be located at 13285 Minnieville Road in Woodbridge, Virginia 22192 (Planning District 8).

It is requested that you send the appropriate application materials for consideration in the November 10, 2019 Batch "D" Review Cycle to:

Kent Stevens, President  
Berkeley Medical Group, Inc.  
107 Elderberry Drive  
Winchester, Virginia 22603

Thank you for your assistance.

Sincerely,

Joseph T. Butz  
Chief Operating Officer and  
Vice President of Delivery System Operations
